ATTN: Wild Growth (Love it, love it, love it.)

It's a miracle, that's all I can say.

I've been using Wild Growth since

8/28/2010, I had cut my hair -

when I started using Wild Growth
my hair was 4 inches long - now it's

11 inches long and I love this miracle

oil. I work at Peninsula Hospital

in NY., every time someone comes in

with damages, healthy or short hair -

I tell them about Wild Growth. I must

have told at least 50 people. My kids

laugh at me and tell me I should

be a spokesperson for Wild Growth. As

a single parent, I like to know do you

have any discounts prices when you

want to order a few bottles. P.S. I

have not perm my hair in three

months, people can't believe it, now I

just have to stop dyeing my hair and use just
